Today

Bad Lands, Bad Men  
Extra! Another Fight  
A Real Stigma  
Who Cares for News?

BY ARTHUR BRISBANE

WINSLOW, Arizona, Feb. 14.—This is written on the "The Chief" of the Santa Fe, one of many fast trains that run on the different transcontinental roads, from the front door of the United States on the Pacific to the front door on the Atlantic.

There is a 3,000-mile stretch of desert territory all sorts of lands, mountains and people. At this point, the train rolls through the desert of Arizona, covered with magnificent pine trees, snow on the hills, the marvelous blue sky, which according to P. G. Bonilla of the Denver Post is limited absolutely to Colorado. It is off all around the Colorado desert like a pie crust around a pie, but all around Bonilla, but Arizona is not a pie.

There are on this trip what early settlers and Indians called "the Bad Lands." Alkali that poisons men and animals rises to the surface and lies in white patches. There is no vegetation for man or his beast. Lizards, rabbits and coyotes own the desert.

LATER, in Chobee, New York and other big cities you will pass through other "bad lands." The "bad lands" now become the "good lands."

Crime, dissipation, ignorance and degradation are written on their faces, as the alkali poison lies on the surface of the Bad Lands.

But fertilization and cultivation change the Bad Lands to lands of fertility, magnificent crops; irrigation bleaches out the alkali, and the deep fertile soil yields wealth and happiness. Eventually in cities, education, kindness, opportunity, will change the bad men to good men, and a new generation perhaps, not easily a two or three.

No man that really wants to be good is no man that has no good within him.

MAN is a curious animal; more than a million years away from civilization, and strange trifles attract him.

Then drive to the Los Angeles railroad station a little before ten at night and the newsmen, good judge of human nature, holding his early morning papers, call out news that he feels will interest you deeply.

It has nothing to do with the naval conference, the gigantic Pacific on your right, the stars over your head or the government at Washington to the east.

The boy calls out: "Extra! John Gilbert will fight Tully again!"

John Gilbert, you should know, is a good-looking moving picture actor. Mr. Tully writes for a living, and Mr. Gilbert disliked something that Mr. Tully wrote, so that Mr. Gilbert, these moving picture training makes him a hero under all circumstances, called Mr. Tully and was knocked out on his back. Mr. Tully has decided toughness.

Still a hero undismayed, Mr. Gilbert let the world know that when he meets Mr. Tully again there will be another terrific battle, and the reader cries the challenge into the night.

If the newspaper had announced on the front page, "The circle has been squared," or "Einstein returns and addresses to Newton," or "All the boys of the world of Serpents have been found," the newspaper could still have been through the night air. "Gilbert will fight Tully again!"

Final states of the South, highest in literacy, are conducting educational campaigns to reduce "the white man's burden."

Canada takes list illiterates. Iowa has only 1.1 percentage of illiterates, lowest in the nation. Nebraska came first until 1920, and is making to regain the championship.

Bowser, persuading or forcing illiterate people to study at night when they are tired out, and learn about their A. B. C.'s to reduce the illiteracy stigma is not so much.

To be able to read and write when the clock leisure to do either, and have access to books worth while, is no fun.

But each a man 5,000 miles away to read his newspaper on a train.

Underpaid labor and lack of work are a "stigma" worse than illiteracy.

In this part of the world the news of the day seems not important. The birds sing. Looking out of the windows toward the north, west, south, and plains, or toward the south, where Byrd is searching for his home, what they are doing back of you on the Pacific coast or ahead of you in Chicago, Boston, New York, seems unimportant.

## Carey Bank Held Up, \$650 Loot Taken

### TWO BANDITS STAGE BOLD RAID TODAY

Cashier and Assistant Bound Up by Robber Pair

HOLDUP MEN ESCAPE

Authorities in Area Around Carey Join in Hunt; Go Toward Findlay

**BULLETIN**  
CAREY, Feb. 14.—Officials of the First National bank here, which was robbed today by two unmasked bandits, announced late this afternoon that the holdup men obtained approximately \$650. The money was swept off the counter.

No trace of the bandits had been found by several armed possees that have been scouring the roads since the holdup occurred. Officials of nearby cities have been notified.

(Special to The Star)  
CAREY, Feb. 14.—Two bandits held up the First National bank of Carey here today and made off with loot estimated at between \$500 and \$1,000 after blinding the cashier and his assistant in a rear room.

The two men walked into the bank shortly after 1 o'clock and at the point of guns, ordered the cashier, L. L. Cullen, and his assistant, William Cullen, to walk into a rear room. There the bank employees were bound. A few minutes later the men made their escape unnoticed. Their automobile, it was learned, was parked about a block from the bank. The men drove west on Main st. and it is believed that they were headed toward Findlay.

Customer Begins Search  
Shortly after the bandits had left the bank, Carl Mitchell entered the lobby. Finding none of the employees at work he started a search. Finding the men he released them and a general alarm was sounded throughout the town. Poses were organized and started a general chase in the direction of Findlay.

Only a vague description of the men was available. One of them was said to be about 25 years old and the other between 35 and 40. They did not wear masks.

Two years ago the same bank was robbed but the bandits were captured a few hours later.

The First National bank is located in a less busy section of the town near the Big Four railroad tracks. To reach the bank the bandits were forced to walk past another bank here.

### STUDENTS WRECK JAIL TO FREE 13

Albion College Men Use Pickaxes; Aftermath of Theater Rush

ALBION, Mich., Feb. 14.—A hundred Albion college students early today tore down the front of the city jail with pickaxes to release 13 fellow students held by police after a riot at a theater.

Unable to cope with the mob, police called for aid. State police from Jackson and Hillsdale and officers from Marshall were called. They used tear gas bombs without effect. The riot finally was quieted when John Seaton, president of the Methodist college, pleaded with the students.

The 10 students who escaped were to be arraigned today on charges of breaking jail. Friday. Fifty others were to be taken to court on disorderly conduct charges.

The rioting began after the Albion basketball team administered a surprise defeat to the team from Alma College.

The students rushed toward the Bohm theater in the hopes of gaining free admission. They were refused admission, but 150 managed to force their way in.

The doors of the theater were locked and 13, believed to be leaders, were taken to jail.

Engaged by the act of the officers, the students made their way to the prison and released their companions.

**4 Students Are Killed in Religious Outbreak**  
MEXICO CITY, Feb. 14.—Four students of Mexico students, are dead and seven others, are suffering from gunshot wounds today as a result of a religious riot at a hacienda near Queretaro.

The student party went to the hacienda for the purpose of studying agricultural conditions, but were mistaken by possees at the ranch for Protestant missionaries. The possees opened fire on the students without warning.

### College Grades Perfect

Marion Student Makes Unusual Record as Freshman at O. S. U.

Perfect grades seem impossible even to high school students, but Charles O. Wheeler, son of Mr. and Mrs. H. M. Wheeler, 130 Clover ave., has made perfect grades as a freshman at Ohio State university. There were only two members of the large freshman class who made a perfect grade average and Wheeler was one of them.

The studies which he is taking are not the kind that usually mean an "A" average for a first quarter's work. In the first quarter he was a student in chemistry, drawing, mathematics, English, survey of engineering, military science and physical education. He is enrolled in the college of engineering.

Charles is a graduate of North High school, Columbus, in the class of '28. He was a violinist in the school orchestra in '26, '27 and '28, and was clerk of the student court in '28.

At the end of the quarter at the university he was elected to

### TOWNSHIPS TO LOSE COUNTY ROAD HELP

Defeat of Levy at Polls Stops Revenue, Township Officials Are Notified at Meeting

Failure of the county road levy at the polls last fall and uncertainty of the county's income for road purposes under the tax limitation amendment to the state constitution will result in the withdrawal of county road aid from the townships. This was the statement of County Surveyor Cecil R. Leavens to the trustees of the 15 Marion county townships who were assembled here for their annual meeting yesterday.

In the past the county has aided townships in road construction and improvement in various ways. The township has furnished each township with 500 tons of stone annually provided the trustees furnished a like amount for road purposes.

This aid will be withdrawn this year, Leavens told the trustees. The county, however, will fulfill obligations made last year and will aid in the completion of work held over during the winter. No other aid will be given the townships except in cases of emergency, according to the surveyor.

Another Vote Scheduled  
The withdrawal of aid from the townships may be short lived, however. Leavens stated today that the county commissioners would submit another road levy to the voters at the election next November. Whether the levy will ask for two mills or less has not been determined, Leavens stated. In case the levy is voted in November it is probable that the townships will again be given aid by the county. The two-mill levy, which has been in force for the last 10 years, was defeated by a slight majority last fall.

The road levy and the gasoline and automobile license tax has been the county's only income for road building and repair purposes. With the levy cut off after this year by its failure at the polls last fall the county was left with only the income of about \$60,000 from gas and license tax for extending and repairing its highway system.

Curialment on Program  
Leavens proposed to immediately begin a reduction in the county's road program in order that this year will have a balance in the road fund. The hoped-for balance is to provide for emergencies such as damage by floods and to carry the county over. Turn to Page 7

### 90 Indictments Returned in Buffalo "Alky" Probe

BUFFALO, N. Y., Feb. 14.—Some 90 indictments may be returned by the federal grand jury upon completion of its investigation here into an alleged bootlegging conspiracy extending from the Atlantic coast to the mid-west, according to reports received today.

A dozen companies were reported involved. The grand jury is expected to make its report next week.

The present case is reported to involve shipments by numerous companies to other concerns of huge quantities of liquor from which denaturants could easily be removed.

### Death of Doctor Veiled in Mystery; Probe Opens

IRONWOOD, Mich., Feb. 14.—Authorities were still at a loss today to determine the cause of the mysterious death of Dr. Clyde Conn who died yesterday after he was found unconscious in his office Wednesday night.

Dr. David C. Pierpoint, believed death was due to either a skull fracture or apoplexy.

### CALL A TAXI

New Yorkers To Get Cheaper Rates from New Company  
NEW YORK, Feb. 14.—Let's taxi—its cheaper.  
That may be the New York slogan of the future, for a fleet of taxicabs charging only 15 cents per mile will go into operation here tomorrow. It was announced today. The new rate is less than half charged by most New York taxicabs.

More than 1,000 of the new cabs will be running here before March 1. It was claimed.

### SCHOOLS END HALF-DAY PLAN

Full Sessions To Be in Effect at All Buildings Monday

LAST AT GLENWOOD

New Rooms Ready for Use There; Pearl St. Addition Nearing Completion

Remodeling and addition work in the Marion public schools will be near completion with the opening of new rooms Monday at the Glenwood school building. Opening of the addition to this building will end the half-day sessions over the city. This announcement was made yesterday afternoon by George A. Bowman, superintendent of schools.

Since school began for the fall term, the first, second, and fifth grades of Glenwood school have been on a half-day schedule, with two classes of these grades in session each day. Part of the students attended in the morning and the other classes were in session in the afternoon.

Four New Rooms Available  
While the addition is not wholly completed, classes will use four new classrooms. Parents will be instructed over the weekend.

The changes at Glenwood will also include the transfer and hiring of teachers at the building. This week, Miss Edith Zeller, teacher of the sixth grade at the school, has been transferred to Central Junior High school to take charge of the schedule of the eighth grade history work, and Miss Clara Gillen, 401 South Grand ave., has been hired to take up Miss Zeller's work in the sixth grade at Glenwood.

Teacher Added  
An additional teacher will be added to the faculty at the building. Miss Elizabeth Crisinger, who planned to enter school for the present year, will resume her classes at Glenwood.

Miss Gillen, a graduate of Cleveland High school, completed her army and school training at Bowling Green State college, in January.

Mr. Bowman said yesterday that the addition at the Pearl Street building will probably be ready for occupancy by March 1. The condition at this building is not one of immediate urgency, and for the past months work has been concentrated on those schools on half-day schedules.

### LATE NEWS FLASHES

KILLED IN AIR CRASH  
TAMPA, Fla.—Lost in an early morning fog that blanketed this vicinity, William C. Close, vice president of the Airport Development & Construction Co. of Philadelphia, and Pilot Percy C. Henry, Jr., were killed today when their airplane crashed near here. They took off early today for Miami and were believed to have become lost in the dense fog.

APPROPRIATION RAISED  
WASHINGTON.—The house voted today to increase the appropriation allowed the federal trade commission to conduct an investigation into the operations of chain stores and public utilities.

This would bring the total appropriation to \$1,500,000 for this work to \$3,500,000.

REPORTS OF REVOLUTION  
MADRID, Feb. 14.—Reports of revolutionary outbreaks in various provinces of Spain appear to be incorrect, according to information from authoritative circles here today.

A check by telephone and telegram of the telegraphic news revealed that in several of the country's provinces, although there is some unrest, no reports of revolutionary outbreaks.

Reports of nationwide disturbances by unemployed appear to have been exaggerated, government officials pointed out. A few thousands of demonstrations by jobless were the only incidents of this sort.

STEELWORKER SHOT  
LOREAN, Feb. 14.—Raphael Donatier, 38, a steelworker, was shot and probably fatally wounded here today by a man who alleged that Donatier had been making a disturbance outside his home. The assailant was held by police, but pleaded self-defense.

### THREE KILLED IN GUN FIGHT DURING HOLDUP

Two Special Policemen and Bandit Shot at Detroit Western Union

TWO OTHERS WOUNDED

Police Identify Bandits as Same Trio That Staged Last Week's Robbery

DETROIT, Feb. 14.—Three persons, two of them special policemen and one a bandit, are dead today after a bitterly fought gun battle during the attempted holdup at the main branch of the Western Union office late last night. Two other bandits were wounded in the melee.

Police identified the bandits as the same gang which robbed the same Western Union office in a sensational holdup last week. Three other participants still are at large.

Two Others Wounded  
Jesse Catlin, 38, a special policeman, was shot in the abdomen. John Scott, 40, another special policeman, was shot in the chest and abdomen. Both died in receiving hospital as did an unidentified bandit about 28.

One customer and nine employees were threatened by the bandits before the shooting. Arthur Norum, special policeman, who opened fire on the thugs, was credited with saving the life of Hugh M. Griffin, night superintendent of the Western Union.

One of the robbers shouted "I'll go for turning in that alarm!" He had leveled his pistol at Griffin's head and was just about to fire when Norum entered and began shooting.

The holdup was staged just like the one last week, but the plans were averted this time. Two of the bandits entered the receiving door on the corner while one entered through the messenger's door in the rear of the counter. One of the pair in front of the counter stood guard, threatening the employees while the other lunged over the counter and scooped up \$200 from the cash drawer.

Others Just in Time  
Ash Hines, a messenger clerk in the rear of the office, was able to return in the alarm just as the thugs entered. It was in the office of the American Bell Alarm Co. in the Western Union building and officers were sent down the stairs on the run.

The thing behind the counter sensed that an alarm had been turned in. He wheeled on his way out and started for Griffin, crying and leveling his gun. Just then Norum, the first policeman to get down the stairs, entered another door into the rear of the office from the building lobby and opened fire on the man aiming to shoot Griffin.

Instead of shooting at Griffin, the bandit turned his gun on Norum and fired four shots. One hit the ceiling and three lodged in the wall, a few inches from Norum's head. The policeman emptied his gun. Meanwhile

### 2 LOCAL FACTORY EMPLOYEES INJURED

One Suffers Mangled Arm, Another Knocked Out by Explosion

David Frick, of 440 Ballentine ave., and William Kitchell, of 1071 Greenwood ave., sustained serious injuries this morning while at work in local factories.

Kitchell, an employee of the Houghlin Sulky Co., was standing over a car tank getting ready to weld some parts. The welding torch which he was holding ignited the gas fumes in the tank and blew him out. The accident happened about 9:30 o'clock.

His long experience in this work had taught him to be cautious, while at work over this tank he was turned back just in time to avoid a serious injury.

He was struck by a piece of metal which was flying through the air. A physician was called to make an examination, and according to company men today, Kitchell is suffering from shock from something other than the explosion.

Those in charge said today that if he had jumped back he probably would have been killed.

David Frick sustained a badly mangled left arm in an accident at the Marion Steel Sheet Co. about 8:30 o'clock this morning.

He was trying to make some small repairs on a machine while it was running. A chain inside the machine caught his sleeve and dragged his arm against a gear. His arm was increased from the elbow to the wrist. The attending physician said this morning that it is too early to be able to say definitely whether or not the arm will be amputated. Mr. Frick was taken to City hospital in the Hess, Markert & Aze ambulance.

FRENCH CROW

### CROW APPOINTMENT GETS CONFIRMATION

Senate Approves Another Term for Postmaster; Commission Forwarded

The appointment of French Crow as Marion postmaster has been confirmed by the United States senate, according to information received here from the United States postoffice department. Crow's commission, signed by President Herbert Hoover and Postmaster General Walter F. Brown, has been forwarded to him from Washington.

The Marion postmaster has served under three presidents and four master generals. He is now serving his third four-year term.

Crow's first commission was signed by President Warren G. Harding and Postmaster General Will Hays on Feb. 6, 1922. He took over the office three days later. Shortly after resigning Crow's commission, Hays resigned from President Harding's cabinet to become associated with the motion picture industry. Dr. Hubert Work succeeded him.

The commission appointing Crow to his second term in the office was signed by President Coolidge and Postmaster General Barry New on Feb. 6, 1926.

Crow officially began his third term a week ago today.

### HARDING HIGHWAY PLANS COMPLETED

Preparations Made for Widening Road from Marion to Five Points

Engineering work for the proposed improvement of the Harding highway from Marion to Five Points, about five miles west of the city, is virtually completed, according to Cecil R. Leavens, Marion county surveyor and resident engineer for the state highway department. The survey has been made and the plans are being drawn by engineers from the state highway department and the county surveyor's office.

Leavens stated today that engineers from the state department and federal engineers were expected here about to complete the plans. The type of material to be used in improving the highway and the width to which it is to be widened will not be determined until after the state and federal engineers inspect the plans.

Work on the road is expected to be started as soon as weather conditions permit. It is probable that the greater part of the summer will be required to complete the job.

### JUNIOR HANNA'S FATHER ONE OF PAIR IN JAIL

Elder Hanna and Earl Connell, Railroaders, Accuse Each Other of Murder

RESULT OF LIQUOR FEUD

Prosecutor Also to Place Delinquency Charge Against Boy of 10

WOOSTER, Feb. 14.—Charges of child-stealing, in connection with the mysterious disappearance of Melvin Hanna, 4, from Orrville on the night of Dec. 27, 1928, will be played against Charles Hanna and Earl Connell, 42, railroaders and alleged bootleggers, before tonight, it was announced here today by Prosecutor Marion Graves.

The prosecutor pointed out that it is impossible to place a charge of murder against anyone until the dead body of a murdered person can be produced.

Prosecutor Graves also stated that a charge of delinquency would be placed against Junior Hanna, Charles Hanna's 10-year-old son.

Junior was placed under the care of physicians this afternoon, when he suffered a collapse following the tortuous grilling which brought forth the statements which implicated his father and Connell in the disappearance of Melvin.

The desperate search for the missing body was renewed this afternoon with vigorous efforts. Officials hope that the body or its remains may be found in order that murder charges may be filed against both men, according to prosecutor Monney.

Prosecutor Monney said this afternoon that he had not yet established a motive. It was first believed that a beating found had figured in the alleged murder, but the prosecutor stated that Connell's alleged liquor operations were on too small a scale. Another possible motive is being sought.

Such a thing as the other murdered four-year-old Melvin in a garage at Orrville on the night of Dec. 27, 1928, Connell and Hanna were restrained from an actual fight in an office in the Wayne county courthouse today.

Finally Makes Statement  
Connell, who had refused to make any statements whatever in the investigation regarding the boy's murder, until this morning, declared Hanna killed the boy in a garage where Connell stored his automobile.

Hanna, on the other hand, stuck to his former statement that Connell beat Melvin to death. Each said he was a witness to the murder when the other committed it.

The statement from Connell came after a brain-racking questioning session, which was resumed by Prosecutor Graves at 5 o'clock this morning.

Hanna, in his previous declaration that Connell had murdered the boy, denied any knowledge of where the boy's dead body had been taken. He said that after Connell murdered Melvin, he left the garage and went home, because "he was shaky." The statement that he and Connell had gone to the garage to have "a few drinks of liquor."

Both Sinner Innocence  
In Connell's contradictory statement, he declared that after Hanna had killed the boy, he picked him up, body up, placed it under his arm, and started toward his home. He said that he did not follow him and denied knowing anything about what was done with the body. Both men swore that they did not know where the body was or what was done with it. They alleged the other had beaten the boy to death.

The two men faced each other and almost simultaneously each denied the other committed it.

### Mystery Surrounds Case at Orrville

WOOSTER, Feb. 14.—Melvin Hanna, 4-year-old son of Mr. and Mrs. Raymond Hanna, of Orrville, disappeared last about that on the evening of Dec. 27, 1928.

Not a single clue as to where he went or where he was taken or anything that may have happened to him could be uncovered, although virtually every person in Orrville engaged in an extensive search for the chubby Melvin.

The search extended throughout the state and even into other states, but a volunteer army surrounded the boy's disappearance. He had vanished without the knowledge of anyone, apparently.

Local rivers and small streams were dragged in an effort to find his supposed dead body.

Officials Direct Search  
Officials began a search and on Slater, famous private detective was brought into the investigation. Other investigators included Reg Stevens, detective; Prosecutor Marion Graves and Special Prosecutor Walter J. Monney.

Junior Hanna, then eight years old, first came into the case. He was known as Melvin's playmate, and was believed to be the last person who saw him.

Junior Hanna told authorities that he saw "either Elias Arnold or his father" on Dec. 27.

## CHICAGO EMPLOYEES MAY GET HALF PAY

Gloom of Two Months Turns  
to Joy with Announcement

CHICAGO, Feb. 14.—The gloom of 20,000 city employees who have gone payless for nearly two months turned to joy today with the announcement that half of their long overdue salaries will be paid Monday in bona fide and cashable checks.

Money with which to meet the city's unpaid payroll will be borrowed partly from the city's corporate fund and partly from the vehicle tax fund, it was announced by Charles S. Peterson, city treasurer and George K. Schmidt, city comptroller, authors of the relief move.

News of this first cash relief spread through the city hall. It came when the morale of employees was at a low ebb and rumors of a walkout were

heard from many sources. Hundreds of city employees' families are facing eviction from their homes for non-payment of rent.

Another important step toward emergency cash relief came after a conference between Herbert S. Heller, New York banker, and city officials in which Heller indicated he would return here in a few days with a written offer to buy \$45,000,000 worth of the city's tax warrants.

### WALDO SOCIETY MEETS

## TWO BANDITS SLAIN IN CHICAGO CLEANUP

Poses of Citizens Join with  
Police in Campaign Against  
Violence

CHICAGO, Feb. 14.—Two bandits slain outright and two more near death of bullet wounds was the toll today in Chicago's war on organized crime as posers of citizens joined with police in the campaign against crime and violence.

A tradesman shot and killed a bandit, believed to be Manfred Blunt of El Paso, Tex., when he and an accomplice attempted to rob a sales agency last night. The second bandit escaped though wounded.

Police killed an unidentified negro in a gun battle following a taxicab holdup.

A posse of police, firemen and citizens trapped two burglars who broke into a dwelling. One of them, Kenneth Trevo, was injured and his accomplice was captured.

"Never Felt Better";

### Play Arranged for Waldo P. T. A. Meet

The Waldo Parent-Teacher association will meet at 8 o'clock Thursday night at the school building, with Mrs. Alfred Donithen, president, in charge of the business session.

In the program hour a play will be presented by the students of the seventh and eighth grades, under the direction of J. M. Clark, instructor. S. Wallace Calhoun will be leader in the discussion group, taking for his topic the seven cardinal points in education.

The P. T. A. will present a play at the school building Thursday night, Feb. 27 to help defray expenses of

the Farmers' Institute for the coming year.

### DINNER DATE SET

Elks Announce Party for Members, Wives and Friends

A chicken dinner for members of Marion lodge, No. 32, B. P. O. Elks, and their wives and friends, will be held in the club rooms at 8:30 o'clock on the evening of Feb. 25, according to plans announced at the lodge meeting last night. A report on plans for the dinner was made by Cecil R. Leavens, chairman of the social committee.

Two candidates were initiated at

the meeting last night. The lodge balloted on a candidate and received an application from another.

Private G. Smith called on the members leading up to the writing and delivery of Lincoln's Gettysburg address. During his talk he read the Gettysburg address.

## MOTHER NEAR DEATH FROM BANDIT'S SHOT

Three Rob Toledo Store; Woman Offers No Resistance, but Is Wounded

TOLEDO, Feb. 14.—Mrs. Joseph Moschler, 42, mother of three children, is near death here today after one of three robbers, who robbed her store, backed her against the wall and shot and fatally wounded her. The gunman is a member of a negro bandit gang which has been terrorizing Toledo storekeepers for the past week. It is believed by police.

Mrs. Moschler did not offer any resistance to the bandits. Two of the robbers had looted the cash register of \$25, and were on their way outside where the third member of the gang was waiting in an automobile, when one of them shot Mrs. Moschler.

## Bigger and Better Than Ever Before!

Offering the newest fashions in furniture at prices noticeably low—Buy now and Save!

That much abused word—

"Service" is probably the most abused word in retail store newspaper advertising. Most writers of store advertising just consider it "a good word to use." Whether the store **RENDERS** "service"—whether it really backs up the advertising claims—that is another question.

Ask any old customer of Schaffner's what they get in Service HERE!

What we mean by Service does not mean only attentive and polite salesmanship. When you see all new, fresh goods here, that is Service. When you see reasonable and low prices, that is Service. When your goods are delivered as promised—in good condition and without a scratch or a mark—that is Service. If anything **SHOULD** go wrong and we correct it immediately, that is Service.

When we **GUARANTEE** our furniture—that is Service. When we give you credit terms—**THAT** (with us) is Service, not a penalty.

# GOODYEAR TIRES DROP SHOVELS, 19-17

## FATE OF PRO GAME HERE IN BALANCE AS LOCALS LOSE MONEY

Olsen and Becker Stars of Hard Fought Contest on Marion Court

**THE AKRON GOODYEAR TIRES** headed toward another state basketball title, were last night two points away from the local Steam Shovel owners here last night and in a fast contest chalked up a 19-17 victory.

The fate of pro basketball hangs in the balance today while officials of the Shovel Athletic association deliberate on whether to continue the game here in the face of poor support. The game is expected to be dropped if officials carry out their threat of earlier this week. Although a large crowd witnessed last night's battle, the Shovel association lost money, it was learned.

Taking the lead near the end of the first half, the Wingfoots romped home to a victory. Fast breaking coupled with black plays that frustrated almost perfectly accounted for the defeat of the locals. Each quarter scored the same number of field goals while Goodyear marked up two more clearly tosses.

Olsen did most of the point patching for the victors. His fast breaking was good for six corners. Two of his points were from free throws. Buck Lammie, who got into the lineup in the second half, counted two field goals. Becker of Marion was the high scorer of the tilt with three field goals for a total of six.

The feature of the contest was the battle between centers, Gillman, the Marion boy, stretched the tap at six feet and seven inches while his opponent, Edson, was just an inch shorter. Their guarding antics would not be considered just the thing for the average high school game.

The Shovels drew first blood, Becker scoring on a short try. Aftman had 30 up and then the Goodyears ran their lead up to 3-2 before the Shovels were able to get going again. Becker counted another bucket and Edson scored a free throw. Baskets began to click for the locals and near the end of the half Marion held the lead of a 11-4-4 count. A bucket by Miller tied the score and the Shovel went out in front with Seiden looping a free throw. The half ended after Olsen dropped one giving his team the lead.

Goodyear ran its count up to 15 points with Marion going senseless. This long lead was too much for Marion to overcome although a desperate scoring attempt netted five points to Goodyear's one.

Hinklin was the referee.

Epworth	2 4 333	United Brethren	2 4 333
Christian No. 2	1 6 143	Calvary	1 6 143

**TRINITY** fighting it out for first place in the Senior Sunday School league were heads and shoulders above the rest of the pack today following the end of the first round of play last night.

By defeating other teams in the first division, Waldo and Central Christian No. 1 continued to lead the standings. Waldo is in first place with a perfect record of seven games won while Christians are second with one defeat to their record. Tied for third place are Presbyterian and Trinity, three games behind the leaders.

Calvary won its first basketball game of the season last night pulling down Christian No. 2 to the bottom rung of the ladder. The score was 29 to 21. Johnson was the scoring star of the game collecting 12 points for the victors. Hamilton led the Christians with 11 points.

Waldo was given a scare in the second half of its contest with the Presbyterians but a big first-half lead saved the record of the leaders. The Presbyterians rallied in the first half to send the score up to 25 to 21. The score at the end of the initial half was 19 to 16.

Dunlin's basket from almost the length of the floor in the last six seconds of play gave the first Christian team a hard-earned victory over Trinity Baptist, 23 to 22, in the feature tilt of the evening. Ostrich's sensational scoring kept Christians in danger at all times. He counted 12 points. Ward led the victors with as many corners. Epworth and the United Brethren did not play.

In the Intermediate league the following scores were chalked up: Trinity 29, Epworth No. 2 18; Presbyterian 22, Calvary 16; Christian 32, Epworth No. 1, 20.

The lineup:

**4 ST. MARY'S STARS TO PLAY LAST GAME**

Will Make Final Appearance on Court Here Against Fremont

Four St. Mary's star players will be playing their last home game of the season Saturday night when the local Irish stack up against Fremont on The Star auditorium court.

They are Kelly, Moran, Gorsuch and Chuck Fry. Although it is their last home game they still face two out-of-town contests at Columbus and Sidney.

Tomorrow night the locals will attempt to defeat one of the three quintets that have been able to down them this season. The Marionites have not been beaten on The Star court this year.

Everybody struggles to get enough money to buy a lot of things he doesn't need.

# Officials of New York Yanks Leave for Miami; May Talk to Babe Ruth

BY DAVIS J. WALSH

**NEW YORK, Feb. 11**—There being no greater aid to steady and private than that afforded by a crowd, Miami, Fla., may be the scene of two fights before the end of the month and, if so, the other one will be between George Ruth and the New York club. It will be over the pressing question of whether George is to be paid more than a bank president or only as much.

Anyhow, Colonel Huggert and Ed Barrow are off to Miami next week because they wouldn't think of missing the Sharkey-Scott fight and it is only a coincidence that Ruth wouldn't think of missing it, either. The colonel's interest in prize fights has been a matter of fact, but he kept pace with his interest in the average street cleaner. It has been a great struggle but finally he has managed to stay away from both of them. They held their home to keep an eye on the furnace or something. Then they took one a thousand miles away and immediately the colonel is on the trail.

He must see that light and marble he will see two—one of them from the ring and the other from the press box.

Of course, a lot of people are convinced that Ruth and the Yanks understand each other thoroughly and are only taking the press boys for a ride.

This will be the Ohio State stars' first indoor race in the east and also the first sprint that he has ever run on boards without shoes. The meet is sponsored by the New York Athletic club.

Great interest will be attached to the meet in which he will participate three days later at Toronto, in the Canadian A. A. U. indoor championships. Simpson will face such opponents as Leigh Miller and John Fitzpatrick. Canadian entries were defeated Jack Elder, of Notre Dame, last week. Elder was considered practically unbeatable up to 70 yards. Percy Williams, Olympic champion, is another possible competitor.

As a finale, Simpson will again head toward the west where he will meet Earl Timm, indoor dash star of the University of Illinois in a dust meet Feb. 22 at Urbana. Timm and Simpson held a great deal in the Big Ten indoor finals last year, the Buckeye being forced into a world record in order to down the flying thing performer.

# George Simpson Is Facing Strenuous Week On Track

**COLUMBUS, Feb. 11**—George Simpson, Ohio State's sprinting champion and world record holder, today is rapidly nearing the most strenuous week of competition in his sprinting career.

Simpson, apparently recovered from a leg injury, showed to good advantage in a dust meet with Indiana last Saturday and is confident that he will give a good account of himself in the four meets in which he will participate in over a period of eight days.

The "dash" will take on spriters from Wisconsin, Chicago and Northwestern in the annual quadrangular meet at Evanston tomorrow. It is in the start. And the race, which will be only 40 yards, is not a distance calculated to bring victory consistently to the best dash man. Simpson, himself, is most anxious about the result, as he is anxious about the result, as he is anxious about the result.

Following the "quad" meet, Simpson outruns for New York over a mile Sunday night against Jimmy Daley, national and intermediate indoor sprint champion. Frank Husey, of the New York A. C., and several other stars, including Wildermuth, Kent, Doyle and Furtz.

# PURDUE WILL PLAY AT OHIO SATURDAY

Cach Olsen Hopes To Stop Stretch Murphy with New Center Man

**COLUMBUS, Feb. 11**—Coach Harold G. Olsen of the Ohio State university basketball team, has at last found what has been troubling him all season. He has a center candidate who claims he can stop "Stretch" Murphy, the elongated center of Purdue, leader of the Western conference.

Hardest in the Purdue game, which will be played here Saturday, has been evidenced by the return of Jess Stewart, the lad who claims to possess enough ability to stop the rampaging Bulldozer. Stewart started the season as a center candidate, but dropped out of the picture before the Big Nine got under way.

Other conference centers have practically given up the task of getting in the way of Murphy, who has had things mostly his own way, regardless of the efforts of his opponents. As a result, the eyes of the Western conference basketball world are focused on the youthful Stewart.

Ohio State fans will get their first glimpse of one of the best Purdue aggregations that has ever maneuvered on a basketball floor.

Lack of inches in the center of the floor has been the main worry of Coach Olsen and his associates throughout the season. Whether the tip-off pass will start Stewart at the tip-off pass in the Purdue fracas, has not been definitely decided.

If the berth for tomorrow's contest, he will probably be backed up by Jack Evans and Hal Ervin at the forward positions and Wesley Foster and his running mate, Dick Larkins, as guards.

Miss Lombard Speaks  
at Meeting of Circle

Miss Helen Lombard gave a talk on community club work before members of the Silver Cross Circle of King's Daughters, last night at the home of Mrs. John Abel, Pleasant Acres. Twenty-nine members were present. Mrs. F. D. Brady was assistant hostess.

Mrs. Gertrude Carlson read a story from the Silver Cross magazine. Misses Catherine Hall and Jean Leavens sang a vocal duet. The next meeting in two weeks will be an all-day session at the home of Mrs. Brady, South Prospect st.

Mrs. Raymond Donagh  
Is Hostess to Society

Mrs. E. O. Whaley was in charge of devotionals at a meeting of the Greenwood Evangelical Women's Missionary society yesterday afternoon with Mrs. Raymond Donagh, North Main st. The meeting opened with a song, "Wonderful Power in Prayer." After a short business session Mrs. James Thatcher gave a reading, "World Fellowship of Christian Women." A session of prayer was held, with a closing song, "Rock Ye First the Kingdom."

Mrs. N. B. Weaver, Fountain st., will entertain the class March 13 at her home.

## VATICAN CITY'S FIRST CRIMINAL

De Papis guarded by Papal policemen as he was taken from the Vatican tribunal. He was the first to come before that judicial body and received a sentence of three months in jail for robbing a poor box. As the Vatican City had not been crime-ridden enough to build his own prison the culprit was sent to the Rome Penitentiary.

Lincoln Program Given  
by Universalist Society

A Lincoln program was given when the Universalist Home Workers held an all-day meeting yesterday with Mrs. H. L. Cardillo, Chestnut st. The conference which was made will be presented soon to the County Juvenile Detention House. A picnic dinner was served at the noon hour. The workers will meet next Thursday in an all-day meeting with Mrs. C. G. Francis, Kensington, av. A regular meeting will be held in two weeks with Mrs. M. L. Langley, Franconia av.

## PLAN SALE AT GAME

Plans were made to sell knickerbocker at the Central Junior-Sr. Mary's school basketball game tonight when the Old Teachers of Central Junior High school met at the school, last night. Miss Virginia Silbaugh had charge of the devotional. Miss Catherine These conducted the program, which consisted of papers on James Russell Lowell. The author's life was discussed by Miss Marietta Smith and Miss Emma Prigmann and the program closed with the poem, "June," by Miss Estelka Welch.

Moral Church Circuit  
Program Announced

The Rev. B. E. Nuckols has announced the following program for Sunday: Moral Baptist church, no services. Wyandot Baptist church, 11 o'clock. "The Epistles of Christ." Brush Ridge Baptist church, series of revival meetings will open at 7:30 o'clock Sunday night, with a sermon on "Heaven Is Again." Services will be held each night at 7:30 o'clock for two weeks. The Rev. S. F. Porter, of Emmanuel Baptist church, Marion, will lead in the song services.

## CHURCH SOCIETY MEETS

Mrs. John Ritter had charge of a meeting of the Woman's Missionary society of Oakland Evangelical church when the members met yesterday afternoon at the church. Mrs. A. E. White led devotionals and several members gave the lesson, "Going to Jerusalem." Mrs. Lillian Yason and Mrs. L. J. Black sang a vocal duet, followed by a story from the quarter by leaflet read by Mrs. George Leedom. It was reported that 70 calls were made during the month. On March 13 the society will meet again at the church.

Valentine Exchange Held  
at Fidelis Class Party

Josephine Cleveland and Patricia Falk were guests when the Fidelis class of St. Paul's English Lutheran church met last night with Maxine Falk, 305 Uncapher av. Nine members were present. After the regular routine of business, a Valentine exchange and games were enjoyed. In contests, Maxine Gray and Mary Catherine Hezian won high honors and Josephine Cleveland and Patricia Falk were awarded. Refreshments were served by the hostess. On March 7 the class will meet again with June Maskell, 816 Olney av.

**Built-in automatic radiator shutters mean SUPERIOR PERFORMANCE**

EVERY Nash "400" model is now equipped with built-in automatic radiator shutters—a feature of superior performance which Nash alone offers in all three Nash price groups. The opening and closing of Nash radiator shutters is automatic—nothing to push or pull—controlled by a thermostat—accurate and invariable. It keeps Nash motors operating at the most efficient engine temperature in any weather. And this is only one of many new features of these superior motor cars. Centralized chassis lubrication in every "400" model is another. Twin cowl ventilators and adjustable drivers' seats are others. All Twin-Ignition Eight and Six models have lifetime lubricated springs with flexible steel spring covers. And all Twin-Ignition Eight models are equipped with Du-plate non-shatterable plate glass as standard equipment at no extra cost.

PLEASANT TOWNSHIP  
BOY MEDAL WINNERSchwaderer Receives  
Award at O. S. U. for Ton  
Litter RecordSchwaderer, a vocational agri-  
cultural student at Pleasant township  
was among the winners to re-  
ceive a medal during Farmers' Week  
at State university. This was  
the first time in the history of "The  
Farmer," in which a prize was  
awarded to the Ohio Honor club win-  
ner.Schwaderer received the medal as a reward  
for his record in the Ton Litter club. His  
club of 10 pigs weighed 2,070 pounds  
and produced a labor income of \$102.22  
in 1937.There were only two official ton  
litter winners in Marion county last  
year. Bender of Wadsworth was the  
other boy to be made a member  
of the club.Fifth Place Winner  
Pleasant township boy  
placed on the page was Joseph  
Schwaderer. His entry of potatoes in  
the National Agriculture section of  
the county show won fifth place.  
His potatoes were certified seed po-  
tatoes and he received a prize of \$10. The project was  
very successful for he obtained  
a total of 240 bushels from his acre.  
His other income of \$212.50.Schwaderer is in the agriculture de-  
partment at the university. He has  
reported worthwhile projects.  
Mayer and Leo Kell, with their  
club of 10 pigs, had labor incomes  
of \$20.45 and \$20.75 respectively.  
Schwaderer won the extra honor  
of being certified Woodburn seed  
potatoes in Indiana. He grew  
bushels of corn on four acres.  
His crops, with a sow and litter  
made 11 pigs which 2,124  
pounds in six months. This ton litter  
was official and he did not receive  
a prize for the accomplishment.Schwaderer has enrolled in the ton  
litter club for the year. They are  
Joseph Schwaderer, Robert Goyer, De-  
lanter, Joseph Mahaffey,  
Robert Zieg, Dale Schwaderer, and  
Robert Zieg. Their aim is to be-  
come members of the official Ton Lit-  
ter club.

## Ford Fortune To Be Used To Build School System

Motor Magnate Announces Plans for Future Costing Millions of Dollars: To Dedicate Rest of Life To Teaching, He Says

BY JAMES L. RILGALLEN.  
(Copyright, 1936, by J. N. S.)  
FORT MYERS, Fla., Feb. 11.—Henry Ford plans to dedicate the rest of his life to education. He intends to build a number of schools in various parts of the country—how many he does not yet know—but some of them will be very large institutions. He said today he "would not be surprised" if he invested one hundred million dollars in the project.

"I want to do all in my power to help young men of America to do themselves into the world," said Mr. Ford. "Society owes it to the young people to educate them for useful citizenship and, for my part, I am going to devote the rest of my active days in the interest of trade schools and teaching."

News No Advice.  
"I intend to invest my money in my own way. I have a definite plan. Consequently I do not wish to be bothered by suggestions from persons who never made or saved a dollar, telling me how to spend a million. The schools will be strategically located throughout the country. I am not yet prepared to say where they will be situated. But one school, the Edison Institute of Technology at Dearborn, Mich., will be the principal school, the nucleus of the other educational institutions."

"Every boy should learn a trade. He should have something to fall back on, something to keep his mind active and keep him out of trouble. I believe there should be a technical school in every industrial institution. "When students came out of school, at 18 or so, people should want them. They should be in demand and not find themselves shifting aimlessly without a definite purpose in life. "The reason we have so much crime and racketeering is because schools do not teach our young men how to fit into the world."

Racketeering Is Revolt.  
"Racketeering is nothing but a revolt against the present impotence and inefficient system of teaching. "If taught properly every boy upon leaving school could go to an employer and say he was specifically fitted to perform a given task. Now they say: 'I went through high school' or 'I went through college.' That does not mean anything. But if they said they are a machinist, a chemist or a cabinet maker, that does mean something."

"I do not know how many schools we shall build but some of them will be large institutions. All these schools will be self supporting. Academic subjects will be taught in the lower grades but as soon as the students are ready for it they will be given vocational training. All the arts will be taught. When a student is graduated...

### TRIED ALL KINDS OF LAXATIVES

Kellogg's ALL-BRAN Cereals Only Permanent Relief

As everybody knows, the market is flooded with cathartics, pills and patent compounds for the relief of constipation. At best, whatever results are obtained are temporary. Besides, there is the danger in certain drugs and the habit-forming menace.

Mr. P. M. Fisher, 517 Olive Street, Scranton, Pa., has something to say on this subject which will be interesting to all constipation sufferers. He says:

"For many years I suffered from constipation and used, for relief, all kinds of laxatives. After a few days' treatment, I would only find my condition the same as before and at times worse. "Some time ago I started to use Kellogg's ALL-BRAN cereals, and after a few days, since doing this, I have found that I do not need any other medicine to procure the desired result, and it keeps me in a very healthy condition."

Kellogg's ALL-BRAN is positively guaranteed to relieve both temporary and recurring constipation or the purchase price will be refunded.

In addition, it adds needed iron to the diet. You will like its delicious flavor. There are many delightful ways to eat it. Your grocer has Kellogg's ALL-BRAN. Served everywhere. Made by Kellogg in Battle Creek.

# Kroger STORES

## 47 YEARS OF Coffee Experience ARE BEHIND Kroger Coffees

Kroger Stores are virtually founded on Good Coffee. Mr. Kroger started in business as a coffee merchant. The fame of his coffee spread rapidly. His business soon outgrew his small store. And today, each Kroger Store stands as a symbol of food. Today, the standards he set in buying, blending, roasting, are as rigidly adhered to as in the days when they were first laid down—many years ago. Improved methods of distribution, of handling in the stores, assure the purchaser of freshness and full flavor in every pound—every time.

## Trend of Women's Styles Changes Mode of Men's Clothing, Is Convention Report

Male Fashions Now Tending Toward Colors of Rather Flashy Type

BUSTLES and hoopskirts may not have had much effect on men's attire 50 years ago but the new strictly feminine dress now being affected by the women is changing the dress of the present day male. This is the opinion of George G. Klein, who returned yesterday from Chicago, where he attended the annual convention of the National Association of Retail Clothiers and Furriers.

Since women have started dressing more like sweet hits of femininity men are beginning to take notice, Klein says. And they are beginning to improve their dress as a compliment to the women.

Brightening Up: For example, the men are beginning to wear colors that are slightly more

flashy. They are also paying more attention to their dress shoes, which have taken the lead in making clothes something more than a covering for the body.

There is one great difference, Klein says, in the manner in which styles for men and for women originate. Women get their styles from a group of designers who are in fact, divisors. Men, however, pick their own styles.

This doesn't mean that the men are any more original in their dress than the women. Perhaps they are less original. Men's styles come largely according to Klein, from a small number of men who, to spend their leisure time, skidark to Europe, the Orient and the resorts of America.

They lead the dress procession and others, whose numbers are limited to lines. When it gets to the point where the common folk who have a suit for every day in the week—and wear it

Barehead Custom Taboo Under Latest Dictate, Retailers Say

every day—pick up the new styles, the globe trotters change to something new. That, according to Klein, is the way men's styles change.

Program for Spring

What will the well-dressed male wear in the spring? This question was answered at the Chicago convention, Klein says.

The suit will be longer, tan or gray. The pastel shades in the tans and grays will predominate. Coats will be slightly more saucy about the waistline, taking up some of the bagginess that has characterized the recent collegiate models. The shoulders will be rather broad, but not too broad. And the coat will be "not too long."

There will be little change in the trousers but the extremely wide trousers will be out absolutely. Two button coats will prevail.

And another thing! The male who parades the streets, the business places or even the golf courses without a head-piece will be as out of place as a moustache cup at a blind dinner. From now on the hat's the thing.

So far as color schemes go, harmony will prevail. The shirt must harmonize with the suit and the side pocket handkerchief will also support the suit. A slight contrast may mark the tie from the shirt but it must be slight.

Shoes will be plain shades and will harmonize with the socks. Spats must harmonize with the shoes, but neither must interfere with the general scheme.

## Exiled Rulers Turn to Modest Pursuits to While Away Time They Formerly Spent Signing Documents; Find Money Scarce

Several Take Up Commercial Enterprises, One Running Perfume Shop

BY GEORGE ANDERSON  
(Copyright 1939 by S. S. I.)

PARIS, Feb. 14.—Just what do exiled kings and emperors do to pass the time now that the march of democracy has swept so many of them from their thrones?

In an effort to answer this query, International News Service has made a study of the various royal figures who have been cast into exile from their native lands in the last few years. Almost all of them have turned to extremely modest pursuits to while away the hours formerly spent in signing documents and reviewing troops.

One or two have taken up commercial enterprises because of lack of funds, and none of them is overabundantly wealthy.

Amanullah, Afghanistan's ruler who was deposed when he tried to westernize his subjects, is the latest member of the club of exiles. With Queen Soraya, he has taken a villa near Rome and is devoting his royal energies to farming. For an amateur, they say, he is fairly competent.

EX-KING MANUEL of Portugal, who has been without a throne since 1910, is the "grand old man" of exiles. He lives in a luxurious country house on Strawberry Hill, near Exeter, England. Though now an invalid, he is now writing a volume on the early history of printing in Portugal.

The queen, Augusta Victoria, is a talented musician, and spends considerable time with her violin, leaving enough, however, to take care of the household purchasing. On market days she can be seen with a basket over her arm bargaining with butchers and vegetable dealers just like the English housewives who are her neighbors.

MUCH has been written about the most famous of all exiles, the former German kaiser. Everyone knows how desperately he is trying to uphold imperial traditions, and he spends his time giving "official receptions," presiding over Germany's future, chopping wood, buying, cultivating roses, preaching in church on Sundays, and attending the theatrical productions occasionally presented by traveling companies in the gardens of his Doorn estate.

His former ally, Ferdinand of Bulgaria, lives in retirement.

**ENTERTAINMENT GUESTS**  
RAIDOR, Feb. 14.—Mrs. Mary H. Thomas, Sunday, entertained at dinner Sunday the following guests: Mrs. T. C. Young and son, Thomas, Mr. and Mrs. Lowell Zeigler and sons, Howard and Gerald, George Thomas and son, George R., Miss Grace Thomas, Miss L. Hayes, Mr. and Mrs. James R. Thomas.

**Waldo News**  
WALDO.—Mrs. W. H. Wheeler returned Saturday from an extended visit at the home of her son-in-law and daughter, Mr. and Mrs. L. H. Strempel, Chicago.

Mr. and Mrs. Charles Marshall and family, of Crestline, and Milton Seiders, of Marion, visited Sunday at the home of Mrs. Amy Schanders, of Columbus-Sandusky rd.

Mrs. Lucy Burns, of Wabash, Ind., arrived last week for an extended stay at the home of Mrs. S. D. Burns.

Mrs. D. W. Schanders returned Sunday from a protracted visit at the home of her son-in-law and daughter, Mr. and Mrs. Curtis Nichols, Columbus.

The ex-Empress Zita of Austria, mother of eight children, lives in Belgium. She rises at 5:30 a'clock every morning and supervises her own household, including the education of her children. She dresses very simply, mostly in black. Society never sees her.

GEORGE, ex-king of Greece, and his queen live in a small London hotel. "Being a king is a rotten job," he said recently, and followed this with instructions to his government not to address him as "Your Majesty."

Ex-Kaiser Still Continues To Make Show, Upholding His Traditions

him as "Your Majesty," but to treat him as a private individual. The ex-king of Persia runs a perfume store in Paris, some of his many social triumphs while still a ruler. He has lost all his money but the perfume business is good. He greatly admires America, and "gets a taste" of American system every once in a while by requiring to the American hospital here for a rest cure. The last time he so fell in love with the hospital's accommodations that he ordered his radio, phonographs and books brought to the room and prepared for an indefinite stay.

Abdul Mehmed, ex-sultan of Tur-

key who once ruled over 25,000,000 Muslims, lives in an elegant villa near Nice. He writes, paints and plays billiards. He is most expert at the latter.

To locate the last of the exiled sovereigns, one must look to faraway Tien-Tsin, where Du Yi, ex-emperor of China, lives in a modest flat with appointments no more luxurious than those of the average Chinese working man. He once had half a dozen palaces and gardens that were the envy of Occidental rulers.

Ferdinand of Bulgaria Always Accompanied by Dog, His "One Friend"

Then of course, there is Carol, crown prince of Romania, who surrendered his throne for the Italian-born chamber, Madame Lupescu. Carol lives in a villa at Neuilly, spending his evenings in the Paris cafes and his days motoring about the French countryside with his beautiful companion.

### Cheap Bread Cheats the Thrifty Shopper

BREAD baking is needed nourishment is a costly food. Its lack of food value must be made up by expensive foods. Thus it costs more in the long run.

A loaf made to highest baking standards, Hobsum bread, saves you its price every meal by supplying needed nourishment at the lowest cost.

Thrifty shoppers, who stop to THINK, buy Hobsum. It costs less in the long run. To actually save money, hundreds are changing to Hobsum. Thousands have changed to Hobsum. Have you?

## Don't Expect Soap Alone to Give Dish Washing Results...

New water-softening cleanser is almost magic in action—with local hard water and ¼ usual amount of soap. ½ the time.

A NEW discovery—not a soap, but a water-softening cleanser—makes any soap more effective by changing hard water to soft. It enables you to cut dish washing time in half. And you need use only one-fourth the usual amount of soap.

Women now find that greasy film on dishes has been eliminated and greasy scum is no longer left in the dishpan—in spite of this city's hard water.

What It Is  
It is a preparation called Cimaleene that you add to your washing water. Just a tablespoon or two.

Instantly, it takes all the harshness out of that water. Makes it soft as rain water.

At the same time, due to certain bland cleansing agents, it instantly dissolves all dirt, stains and grime.

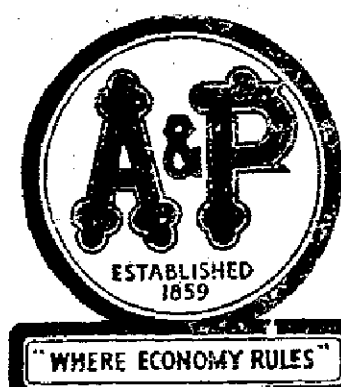

**Laboratory Proved**  
To assure results to you, we buy fine linens, lingerie and delicate fabrics, costly china. Then by repeated washings, try to spoil or fade them. Consider, please, what those things mean to you. Consider, too, that the minute you put this creation into water, all harshness is taken away—your hands protected from roughness, made soft, smooth and white. Then try it.

Remember the name—Cimaleene. Your grocer has it in 10c and 25c packages. THE CIMALENE CO., CANTON, O.

## BROKERS' LOAN JUMP IGNORED BY MARKET

**Oil Stocks Upset by New Cuts in Crude and Gasoline Prices**

**REACH LOW LEVELS**

**United States Steel Star Performer with Advance to 187**

**BY W. S. COUSINS**  
Marion Star Staff Writer

NEW YORK, Feb. 14.—Except for a small number of the blue-chip industrial and public utility stocks, which rose moderately to new high price levels for the year, the stock market made very little progress today. Alternate buying and selling waves blocked the market as professional bulls and bears carried the battle into each other's territory, and the fact that the war was about evenly divided, with the steel and utility stocks forcing ahead, while the oil, automobile, mercantile stocks and most of the specialties were depressed by persistent selling.

Wall Street ignored the \$15,000,000 increase in brokers' loans, in view of the recent heavy offerings of new bonds and preferred stocks in the outside market, but the increase showed a larger participation in the market.

The oil stocks were upset by the new cuts in crude oil and gasoline prices announced by the Standard and Standard companies. The year's lowest prices were paid for Standard of New Jersey, New York, Barnsdall, Sinclair and other well known oils.

United States Steel was the star performer, racing along to a new high price level above 187 in active trading. American iron sold at 146 for the first time since the break and Westinghouse struck 175 to the accompaniment of new rumors of an intended split-up of the stock.

## CITY BRIEFS

**Find Parachute Bag**—A parachute bag, filled with clothing and military trappings, lost from the automobile of Lieut. H. H. Hunter, formerly chief pilot at Marion airport, was found on South Prospect st. by workmen of the city service department yesterday afternoon. The bag is being held in the office of the city garage department until Hunter has been notified. Hunter left this city yesterday to make his home at Indianapolis.

**Guests at School**—The faculty of Central Junior High school enjoyed a luncheon Thursday noon at the school. Mr. and Mrs. George A. Brown and Mrs. W. E. Drent and some were guests. Girls of the domestic science classes prepared the luncheon. The social committee was in charge.

**Leaves Hospital**—Mrs. C. H. Foster was taken from City hospital to her home, 125 Waterloo st., yesterday afternoon in the W. C. Boyd invalid car.

**Minister Buried**—Funeral services for the Rev. Bird Davis, colored Baptist minister, were held at 10 o'clock

this morning at the W. C. Boyd funeral home, South Main st., in charge of the Rev. Mr. Canada, of Columbus. Burial was made in Marion cemetery.

**Campaign Extended**—The membership campaign of the Druid lodge which was to have closed last night, was extended for two months, a portion of last night's meeting states. The Druids will hold a weekly card party Saturday night at the hall, West Columbia st.

**Funeral Saturday**—Funeral services for Harry H. Wings, colored, two-year-old son of Mr. and Mrs. Pearl Wings, 576 North State st., will be held at 2 o'clock Saturday afternoon at the Park Street A. M. E. church, in charge of the Rev. T. M. Sellers. Burial will be made in Pleasant Hill cemetery. The body was taken to the home last night from the C. E. Curtis mortuary, East Center st.

**Rites Held for Infant**—Funeral services were held at 2 o'clock this afternoon for Theda Agnes Irwin, eight-day-old daughter of Mr. and Mrs. Nelson Irwin, Jr., at the home, 400 South Vine st. The Rev. William J. Spiekerman, pastor of St. Mary's Catholic church, officiated. Interment was made in St. Mary's Catholic cemetery.

**Removed to Home**—Mrs. E. Does and infant son William Irwin were removed from City hospital to their home, 280 Park blvd., yesterday afternoon in the C. E. Curtis Co. invalid car.

**Passes Examination**—Mr. and Mrs. Chester Spain, 173 Laramie st., received word yesterday that their daughter, Chloa, a graduate of White Cross hospital, Columbus, had passed her state examination and is now a registered nurse. At the present time she is employed at the White Cross hospital.

**Communion Sunday**—Holy Communion services at First United Brethren church will be celebrated at 10:30 o'clock Sunday morning. The Rev. Carl V. Brown, pastor, will speak on "The Significance of the Holy Communion." A special program has been prepared for this service.

**Slowly Improving**—Mrs. J. V. Goldberry, 120 East Columbia st., is reported slowly improving from blood poisoning of her foot. She underwent operation and treatment at the Frederick C. Smith clinic.

**Social Planned**—St. Paul's chapter of Kappa Beta Kappa will hold a social meeting at the St. Paul's Episcopal church parish house at 8 o'clock Saturday night.

**Refreshments will be served.**

WITH EDNA S. DUTTON

A TALE of the wild and woolly West is told in B. M. Bowers' novel, "Fool's Gold," published by Little, Brown & Co. The story is told by Mike Bower in an amusing and entertaining way, with sufficient adventure to make it interesting.

Dale Kener, son of a wealthy Chicago business man, comes upon his father's death, to go West, and as the reader presumes, grow up with the country. A ranch, well stocked with cattle, is his goal, and with this in view, he studies his books, but demanding a large amount of money, not in checks but in cash. With 50 one-thousand dollar bills, the young man betakes himself westward. Upon reaching there, he is robbed of a few hundred dollars, which he fails to report, but the main part of the fortune remains intact.

Emer, a likable chap, is befriended by Quin Burnett, a well-to-do ranch holder, who takes him to his own ranch and gives him a job. Again

quand has skillfully revealed the various sets of characters.

In the course of time Kener leaves the Burnett ranch, but not until he has fallen in love with Burnett's daughter, and here of course is where the love story begins.

The thrills of the story lie in the many attempts to rob Kener of the money, which is well hidden, as well as the identity of the robbers. Even a posse around the neck of the hero, to make him disclose the hiding place of the money, and it is not until the robbers begin to treat the fair Cynthia somewhat roughly, that the obstinate young man reveals to the point of firing out the incriminating regarding his wealth. The reader is due for a surprise as well as the robbers, upon learning the whereabouts of the money.

## New Book for Home Owners

A COMPLETE volume for the owner of the small home will be available next month when Century publishes "The Home Owner's Manual," by Dorothy and Julian Olney.

The book will contain practical information on how to handle all the tremendously important trifles of the average home, from screening the windows and painting the pantry to studying the furnace and caring for the lawn.

## Century Will Publish New Books

THE following books will be published this month by the Century Co.: "A Novel of 1818," by C. H. Bennett; "Who Killed Cavellotti?" by Sydney Newell; "The Tebbel's Book," by Frank Lee Atwater; and "Mrs. Guppy is Dead," by Webster and Hopkins.

## German Writer Has New Book

"CARL AND ANNA," by Leonhard Frank, is a short story in form in which it was first written and which was the immediate cause of his election to the German Academy of Letters, is scheduled to be released today by G. P. Putnam's Sons.

It has been illustrated from wood engravings by the author. Leonhard Frank was born in Weizburg, Germany. The son of a carpenter, he himself lived the hunger, the misery and humiliation which were the lot of the German workman's child in the closing decades of the last century. But all this time he was studying in the school of adversity. Frank was haunted by an ideal that demanded expression. A natural poet, he himself wrote the lyrics of his first novel, "The Tebbel's Book," published in 1911, marked him as the possessor of a rare and original talent. "Carl and Anna" won him a niche in literature's Hall of Fame.

## American Prints in Book Form

PRINT dealers and collectors throughout the country are rushing in their orders for the first edition of Carl W. Drepper's "Early American Prints" which will be published by the Century Company of American Antiques series in April. It now seems likely that the first edition of this book will be selling at a premium on the date of publication. The book contains many fine reproductions of scarce old American prints which are the quest of all collectors.

## New Radio Star To Appear as Guest Artist in Columbia Net Broadcast

Mary Charles Wins Popularity as Entertainer in Few Weeks

MARY CHARLES, character artist and entertainer, who gives numbers of the Irene Burdett type and other specialties, will be guest artist of the Columbia network at 8 o'clock Friday night. Miss Charles' debut before the microphone, made but a few weeks ago, was the result of audition at which some 150 feminine stars appeared, from which group Miss Charles, with a very few others, was chosen as a radio "find" of great possibility.

Although an American girl, and a graduate of the select Finch school, Miss Charles is well known on the English stage, having been featured in "Charles' Review" for a year and a half. This was followed by an engagement in "Interference." In this country she presented several specialties in Zigfeld's "Show Girl," and is now playing opposite Jack Buchanan, the English star, at a New York supper club.

Novel Program Arranged by Stars of Melody for Friday Night

Special adaptation of Show's "Arms and the Man," is a highlight of the Melody program, to be heard over the WEAF network at 7:30 o'clock Friday night. Lillian Tress, tenor, will assist the stars in the program.

**SETS RADIO RECORD**  
Communicates with Every Continent During 10-Hour Test

SUNNYVALE, Feb. 14.—Ormsley Taylor, 15-year-old radio operator, has established a new amateur record by communicating with every continent in the world in less than 10 hours.  
Taylor began his test at 7 o'clock one morning, following darkness around the world in order to take advantage of the superior reception during evening hours. He said that the accomplishment was not so much in talking to the various stations, but to be able to communicate with such widely separated points within a few hours.  
The stations which Taylor talked to were: KFP, Sebring, Belgium; ZTZE, Cape Town, South Africa; CXCWK, Montevideo, Uruguay; YSTAP, Singapore; ZL2GII, Nelson, New Zealand; and W2WEN, Chur-deau, Iowa. Only one other amateur in the world, Vasco Abreu, in South America, is known to have communicated with all continents in one day.  
Taylor is installing new amateur and 20-meter transmitters in preparation for the international distance contest to be held February 15 to 28.  
Amateurs from all over the world will take part, and will be judged according to their ability to send and receive messages from various distant points.  
During the past year, Taylor has been in communication with more than 15 amateurs in Europe, and was confident that he would be in the running if the forthcoming competition.  
He holds a warrant in the United States Naval Communications Reserve as a petty officer second class, volunteering a year ago in San Jose.

Here's a Broadway that you've never seen before... the Broadway of the big-time operators where hundreds of thousands are risked on the turn of a card—where Death awaits the cheater... and love is forgotten... where Nerve is King and the Goddess of Chance is Queen. The thrilling exciting drama of the stiff-shirted "racketeers"—desperate, dangerous, nerveless men who try to win fortunes while wives wait and weep. Exciting beyond belief! Don't fail to see this thriller!

Begins Tuesday
